Reasoning by analogy

Importance of feedback

Information / Knowledge Filters

} Servo Type Mechanisms

Drive for excellence

→ ?

Fast information Dispatch through
Knowledge layers for overall system
functioning [Turbo Vision]

Why Rules & Regulations

Rules & Regulations as a barrier to growth

→ Language interpretation. ~~ELIZA~~

Intelligence - ELIZA

Information Propagation without loss of vital
information. Importance of Roundtrip Gestalt

Design. Subjectivity. Prejudice & bias.

$R \rightarrow Z$ mapping and ANALOG to DIGITAL
conversion as a vital information propagation
technique.

Power of parallel systems and locality of
intelligence.

Marvin Minsky's ~~Guide to~~ Guide to the
intelligent student.

Importance of a central philosophy. Role of
religion as ~~the~~ a central philosophy. ~~guidance~~

The Santa doctrine.

Explaining the dominance of western countries as the expanded intellectual freedom and literature.

The role of literature, ~~the~~ History repetition the good and the bad side.

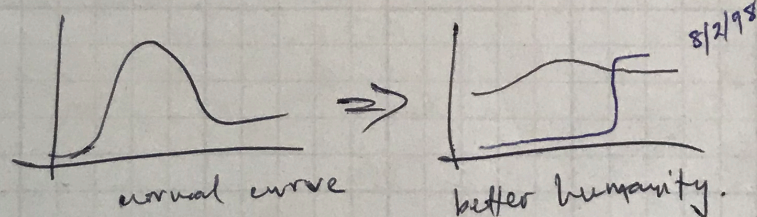

Rules as a preliminary to intelligence. Importance of removing restrictions, rules and regulations upon retrospective enlightenment. $\rightarrow$ ~~Information~~

Intelligence and Knowledge Filtering.

Given multiple potential for standing growth and the decline of the Sri Lankan ~~culture and~~ political and economic infrastructure.

Human intelligence level enhancement as the guiding light.

Loading on the curve as a bad indicator.

Relation of grassroots knowledge to the highest level knowledge..

Capitalism as Replacement of High level Knowledge.

Socialism / Marxism as grassroots change with ~~the~~ complete replacement of the whole system.

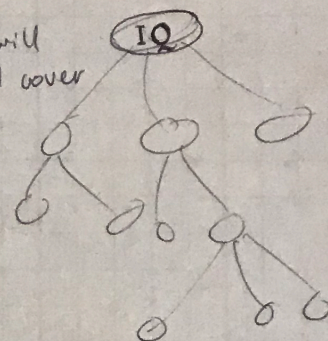

The Advantage of capitalism as a principle of least surprise. Need to transmit higher level intelligence down to the grassroots. (and vice-versa) 12/2/98

C++ as a model of real reality.

Opposition as a catalyst to better knowledge
filtering. Correction mechanism.

The real IQ Test.

Best IQ will
be a full cover

Same structure throughout.
Macro structure $\equiv$ microstructure etc.

Fractals, XRay diffractometry,

Crystal structure.
